3. Additional comments

3.1) What aspect(s) of your **classroom experience (course, professor, etc.)** helped your learning most?

- Absolutely loved taking this course! I wish I could take it again and have him for all of my classes! Great professor!!!
- Dr. Vidal was my favorite teacher this semester. I always looked forward to going to class. I learned a lot from him and I wish he was teaching Microeconomics this semester because I would have taken it with him! I wish all my teachers loved their subject, their classes and to teach as much as Dr. Vidal does.
- His way of explaining
- How the professor asked students questions
- Labs and lectures
- The in class discussions during his lecture.
- The professor helped my learning the most.
- Thoroughly enjoyed this class
- the experience was awesome because the explications were helpful.
- the professor helped me the most because he loves what he does and you can see it when he teaches. He is so easy to relate to along with his teaching ways.

3.2) What aspect(s) of your **classroom experience (course, professor, etc.)** could have been changed to help your learning?

- I was unsure about going into this course as Mr. Vidal was new to Tampa and no one had rated him or taken his class before. All of those insecurities went away in the first 5 minutes of class! Great guy, teacher and friend!
- More time
- N/A
- The labs and sapling to me didn't help me learn anything, felt like filler pieces for the course, but boosted my grade.
- The labs are the only thing that I would change about this course.
- less lecturing and more activities in class
- no comment
- nothing.
