

To whom it may concern:

I highly recommend Daniel Diaz Vidal as a candidate for a teaching position. I have worked with Daniel in my position as Dean at the University of Seville.

Daniel has been employed by the University of Seville to teach a number of our summer courses in economics in the past few years. Daniel's performance has been lauded by both his students and supervisors alike. His ability to connect with his students and his talent at teaching simple concepts, as well as more advanced topics, are both truly superior. He has excellent written and verbal communication skills in various languages, is extremely organized, reliable and computer literate. Daniel can work independently and is able to follow through to ensure that the job gets done. He accomplishes his tasks with great initiative and with a very positive attitude.

I recommend Daniel to you without reservation. If you have any further questions with regard to his background or qualifications, please do not hesitate to contact me.

Sincerely,

Dean Rafael López-Campos Bodineau
