Daniel is a great TA, he shows great care for his students and a lot of enthusiasm & effort during discussion.

DEPARTMENT OF MATHEMATICS

Student Evaluation of Teaching Assistant

Name of TA: _____

1. How well do you think the TA's explanations of concepts are clear and understandable?
2. How well do you think the TA's explanations of concepts are thorough and complete?

Strongly Dislike	Dislike	Like	Strongly Like
1	2	3	4

3. How well do you think the TA's explanations of concepts are relevant to the course?
4. How well do you think the TA's explanations of concepts are interesting and motivating?
5. How well do you think the TA's explanations of concepts are helpful in understanding the course material?
6. How well do you think the TA's explanations of concepts are clear and understandable?
7. How well do you think the TA's explanations of concepts are thorough and complete?
8. How well do you think the TA's explanations of concepts are relevant to the course?
9. How well do you think the TA's explanations of concepts are interesting and motivating?
10. How well do you think the TA's explanations of concepts are helpful in understanding the course material?

Thank you for your feedback. We will use this information to improve our teaching and learning experience.

Dioz is the best TA I ever had for Math. He's very approachable and is very promptly to answer questions. Very helpful in Discussions

love you! 

"OK!"

"Guys!"

"right, guys?"

Daniel Diaz is an awesome TA.
He is super enthusiastic and knowledgeable,
his discussion sections are like having a
second lecture. He rocks!
